

Please join the Pennsylvania AFL-CIO for our Biennial Legislative Conference. We will establish goals and objectives to protect the interests of Pennsylvania's union members and working families for the 2013-2014 Legislative Session.

This year we will feature four morning breakout sessions focusing on key legislative battles that we expect to be on the top of our opposition's agenda. The afternoon general session will include an opportunity for unions to discuss additional legislative battles, as well as pro-worker, pro-job legislation that the labor movement can support!

We look forward to seeing you there!
