

# #AnywhereButWalmart

**This holiday season, show us how you shop consciously...**

**What:** Good jobs make strong communities and improve our economy. This holiday season instead of supporting companies like Walmart and Target who pay employees little more than minimum wage with little or no benefits, consider shopping where workers are paid better and receive good benefits. When possible, buy products made in America. By doing so you can help improve our economy and keep Americans working with your holiday spending.

**How:** Show us how you support your community this holiday season when shopping by using the hashtag **#AnywhereButWalmart**. Take a picture of yourself in front of or shopping at a store that respects its employees and use the hashtag when uploading it to your social media. Or email your photo to [ufcwlocal1776@ufcw1776.org](mailto:ufcwlocal1776@ufcw1776.org). The photos we collect will be incorporated into our social media campaign to support workers' rights and better treatment of workers everywhere. Show double the support by snapping your photo at a Local 1776 represented retail or grocery store!

Remember to purchase union-made products this holiday season! Hershey candies, Wise chips & snacks, Citterio Italian specialty meats, Cargill meats, Empire Kosher Poultry, Knouse fruit products, Hanover vegetables and JBS beef products are all made by your fellow Local 1776 members right here in Pennsylvania!

For a complete list of where to shop this holiday and what products to buy visit [www.ufcw1776.org](http://www.ufcw1776.org) -or- [www.paaficio.org](http://www.paaficio.org)
